*Bertolt Brecht*

## **Manual of Piety: Die Hauspotille (Brecht, Bertolt)** Bertolt Brecht

Book jacket: Known primarily as a dramatist, Bertolt Brecht was also a gifted poet. These fifty poems--among them many ballads that later became part of *The Threepenny Opera*, *Mahagonny*, and *Baal*--reveal the tremendous range and versatility of Brecht's expression. His first and best book of poetry, *Manual of Piety* uses the traditional form of devotional literature to provide both an irreverent spoof and a serious critique of the post-World War I European (and more specifically, German) culture that gave rise to fascism. His characteristically sly wit combines with mordant social commentary to make *Manual of Piety* Brecht at his most hilarious--and also his most brutally incisive.
